

Reinsurance Coverage Declaration

We herewith confirm that Munich Re is reinsuring the Sales and Buyers Insurance Policy which was issued by China Pacific Property Insurance Co., Ltd. (Suzhou Branch) to:

ZNSHINE PV-Tech Co., Ltd. ("ZNSHINE")

No.1, South Zhenxing Road Industrial Zone, Zhixi Town, Jintan District 213251, Changzhou City, Jiangsu Province, P. R. China

The Sales and Buyers Insurance Policy is a Back-Stop for ZNSHINE's Limited Warranty and protects both the manufacturer and its sales (Buyers) of photovoltaic modules, and which have been registered to be included under this insurance during the Policy Period of January 1st 2023 - December 31st 2023. The terms and conditions have been agreed upon, which include:

- Insurance limit dedicated exclusively to each PV project / Buyer (no "first-come-first-serve")
- Insurance Program insures ZNSHINE's Limited Warranty, including Product Defect and Performance Output
- Significant insurance limit for 25 years (30 years for double-glass modules) which does not decrease in later years and is non-cancellable (coverage persists even if ZNSHINE becomes insolvent)
- ZNSHINE's customers, whose panels have been registered with Munich Re, will enjoy an irrevocable and insurance-backed warranty which provides third-party beneficiary status to the insurance in case of insolvency or bankruptcy.
- Deductible does not erode the insurance limit
- PV projects are qualified for additional Munich Re insurance (Top-Up Cover / Option Cover)
- Immediate coverage (no waiting period)
- Reinsured with a strong capital base: A.M Best **A+**; S&P **AA-**

We recommend that Buyers request a Beneficiary Declaration Letter issued by Munich Re to confirm and verify that their panels have been registered with Munich Re (through a request to ZNSHINE).
